GOOD TREATMENT FOR OILY SCALPS

Men and women whose hair and scalp are excessively oily suffer more in the warmer months than at any other time. The summer's heat and dirt mingle with dandruff, cling to the oily hair and scalp, clog the scalp pores, stiffen the hair roots, and make proper cleansing almost impossible.

Parian Sage is an ideal treatment for this trouble. Wash the hair not oftener than once a week, but use Parian Sage twice daily, pouring a little into the parted hair and rubbing briskly right into the scalp with the finger tips. It drives out dandruff, dissolves the excess oil, and stimulates the scalp into healthy, normal action. Sold by the Red Cross Pharmacy and leading druggists everywhere.—Adv.

SOCONY Motor Gasoline is the new name the Standard Oil Company of New York has given to its high-grade automobile gasoline—the best which years of experience and the most careful study have taught it how to make.

The SOCONY sign is a sure guide for the motorist who wants a high-grade, powerful and uniform fuel. The best garages carry the SOCONY sign, because SOCONY Motor Gasoline is the best gasoline.

SOCONY Motor Gasoline is the most economical gasoline you can use. It is a straight-distilled, homogeneous product, not a mixture—with the same power in the last drop in your tank as there was when the tank was full.
